## Beers and cheers in Eumundi

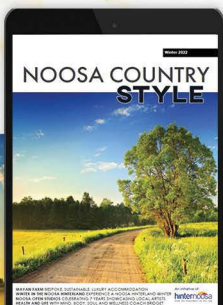

Why wait for October to enjoy a beerfest? More than 80 Sunshine Coast beers crafted by teams from ten local breweries were up for tasting at this year's Hinterland Craft Beer Festival dubbed the biggest ever by The Imperial Hotel and Eumundi Brewery Manager Paul Thomas.

The festival is proving to be one of Eumundi's signature events as hundreds of locals mingled and chatted, met up with old friends and made new, and enjoyed the great atmosphere, live music, food trucks and entertainment in perfect winter weather.

Featuring beers from Heads of Noosa Brewing Co., Copperhead Brewery, Boiling Pot Brewing Co., Moffat Beach Brewing Co., Sunshine Brewery, Your Mates Brewing Co., Noosa Hinterland Brewing Co., Matso's Brewery, Terella Brewing and Eumundi Brewery, those keen to experiment further headed to the popular gin bar.

Festival enthusiast Trent said, "A real highlight for me was watching Blues Arcadia perform and also grooving away to the always dance-able DJ's at The Imperial Hotel – especially DJ Tdog. Bring on the next beerfest!"
