Eumundi Voice  **thanks Vollies**

The Eumundi Rotary Initiatives Ltd (ERIL) Board, which provides oversight and direction to *Eumundi Voice*, held a function on Sunday afternoon to celebrate two years and 50 issues of the fortnightly magazine and thank the wonderful group of volunteers who make *Eumundi Voice* possible and a success for the community.

Around 50 people enjoyed a fabulous barbecue, nibbles, bubbly and beer at a volunteer's residence with the crowd soaking up the atmosphere of friendship and working for a

common cause. One volunteer was heard to say, "When I got here I felt like I was with family".

ERIL Chairman Greg Molyneux thanked the volunteers for their tremendous efforts over the past two years and called on some of those present to say a few words. Clytie Glass spoke on behalf of the Writers' Group and praised those who contribute articles. She commended the group, saying how much she enjoyed the meetings because they were always so 'out there' and fun and thanked *Eumundi Voice* for giving her the opportunity.

Cont. from p1 Bob Ward spoke on behalf of the delivery group and had the audience laughing with a few anecdotes on 'a day in the life of a deliverer'. Bronwyn Innes gave a great description of the diverse models of letter boxes she and her dog deliver *Eumundi Voice* to and Janet Millington spoke on behalf of the community, saying how much the publication was now part of their everyday lives. Eumundi Rotary president Les Godwin explained the tremendous effort required in delivering nearly 5,000 copies of *Eumundi Voice* every fortnight and how big a part volunteers play in this.

A raffle was drawn to see who would cut the cake and blow out the 2nd anniversary candles with the winners Nicole Plumb and John Turnbull. The group photo was taken with everyone crying out "Long live *Eumundi Voice*", supported by music from Noel from popular band *Flash Jack*. Thank you to everyone who joined the celebrations – now it's on to the next 50 issues!
