Tucked away on a Doonan side road sits the fittingly named Hoofbeats Sanctuary – a place of respite and restoration for both people and animals. The charity comprises a group of caring and compassionate trained individuals whose dual focus is to care for the much-loved rescue horses stabled there and to assist people in need of some kindness, understanding and mentorship.

ARE YOU MAD?

And with that we mean
Mad about MAKING A DIFFERENCE.

Pomona Meals on Wheels is a volunteer-based organisation and we are urgently looking for people that would like to make a difference by donating a little of their time to help to supply meals to the aged and those needing support in our community. We are fortunate that our volunteers have been part of our team for many years, ranging from being part of the admin team, helping in the kitchen, to delivering meals to our clients. Our client base is growing and we all need time to go on holidays, so it is essential we increase our volunteer base. We are **URGENTLY** looking for a volunteer in administration. Requirements for this admin position are good computer skills, a pleasant telephone manner and the ability to interact with clients.

Office hours are Mon/Wed/Fri 8.00 am – 12 noon.

Please contact the office on 5485 1777 for more information or email to admin@mowp.org.au

P.S. We would also love to hear from you if you would like to volunteer in the kitchen or can see yourself delivering meals to our clients.
