Joining the club are Gerard Duckworth, Terri

Eumundi Voice donates to ShelterBox Australia

Earlier this year *Eumundi Voice* donated \$1,000 to ShelterBox Australia which provides emergency shelter and aid to families affected by natural disasters and conflict.

The organisation partners with Rotary International and works with Rotary clubs to combine resources and ensure communities in desperate need of shelter after a disaster are supported.

ShelterBox Australia's aid comes in the form of ShelterBoxes and ShelterKits. The sturdy green ShelterBoxes contain family-sized tents especially designed to withstand the elements. They provide people with temporary shelter and the essential tools they need to start repairing and rebuilding their homes. The boxes and kits also contain items that help transform a shelter into a home including cooking sets, solar lights and activity sets for children. Visit: shelterboxaustralia.org.au.
